ABSENCES / APPOINTMENTS

Please make sure to call the office at 715-261-0030 if your child is absent or tardy to school. You can leave a message before or after school hours. If we don't hear from you, we will try to contact you. If we are unable to contact you, we must enter the absence as unexcused. Please call each day your child is absent. If your child needs to leave school for scheduled appointments, inform the teacher in advance with a note, then stop in the office to fill out an early dismissal form, and your child will be called to the office.

GT NEWS

Parents of 5th Grade Students:

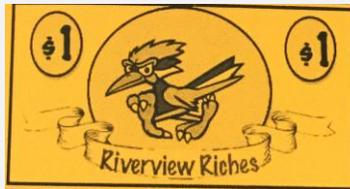

In order to assist with the identification of students for ELA (English/Language Arts) enrichment experiences/programming at the middle school, fifth graders who meet at least one of the following initial criteria will be taking the Measure of Academic Progress (MAP) Reading and Language Arts Tests this winter: *GT Reading Identified, GI (General Intellectual) Identified, ELA Forward Exam score of 90th % or above, Fall Aimsweb MAZE score of 90th % or above, or ELA Talent Pool participation in 4th or 5th grade.* The results of these tests will be used in combination with several other pieces of data to help determine whether or not students meet the guidelines established for enriched experiences at the middle school.

PBIS Update

What is PBIS?

PBIS is a positive behavior program that is used school wide to encourage good behavior. Students are taught expectations and acknowledged for following them. Kindergarten through fifth graders can earn Roadrunner Riches through good behavior to use at the school store. Encourage your child to continue to make good choices to save up for their special item.

Citizen of the Month:

A Citizen of the Month is chosen from each grade level each month for K-5. Each Citizen of the Month will receive a coupon or gift certificate for the school store worth up to 20 points.

This bulletin board greets our children each day with expected behaviors.

PBIS First Quarter Celebration

In September the student council generated ideas for celebrations for positive behaviors. The entire school placed their votes for movie/popcorn day, build a snowman, extra recess, crazy dress up day, and twin day.

For our first quarter celebration of positive behavior at school we had an all school extra recess on November 3rd. A fun time was had by everyone on a beautiful day.

Our next celebration is planned for January 19th which will be a movie/popcorn day.

We encourage parents to support positive behavior at school. Thank you for helping us work as a team as we strive to help your child reach his/her full potential.

Look for future PBIS updates in the newsletter.

November Citizens of the Month

COVER YOUR COUGH!

Why should I cover my cough?

“Colds” and serious respiratory illnesses like influenza (“the flu”) and whooping cough are spread by:

- Coughing and sneezing
- Unclean hands

These illnesses spread easily in crowded places where people are in close contact, like SCHOOLS!

When you cough or sneeze, it’s best to cover your mouth and nose so the germs aren’t sprayed into the room for other people to breathe. Everyone used to cover with their hands, but then, if hands weren’t washed right away, the germs got passed from hands to other people and still made them sick.

How do I stop the spread of germs?

Cough or sneeze into your elbow!

Hold your arm up even with your shoulder, then bring your hand in toward your chest. Bring your elbow up to your mouth and nose, and cough or sneeze.

It’s true, germs can land on your elbow, too, but you don’t use your elbow to hold food, pencils or toys, and you don’t use it to touch other people as you do with your hands.

How else can I stay healthy?

Clean your hands often with soap and water or an alcohol-based hand sanitizer.

Avoid touching your eyes, nose or mouth.

Don’t share eating utensils, drinking glasses, or other personal items.

Get your flu shot.
