Drop-off Procedures

Where do I drop off my child(ren) if they are eating breakfast?

Please use the front circle drive and drop them off at the front door. They will walk directly to the cafeteria to eat.

What if my children are not eating breakfast at school?

You may use the cul-de-sac on Carl Street or the south parking lot to drop them off no earlier than 8:15 am. If you use the parking lot, you must walk them to the playground where there's supervision beginning at 8:15 am
